# IIT ROORKEE

1<sup>st</sup> -3<sup>rd</sup> April

जयति जयति विद्या संस्थान,  
हिम गिरि शृंगों से अभिनन्दित,  
गंगा जल करते कल गान।  
जयति ॥

शिक्षा आदर्शों में उन्नत,  
जीवन शिल्पी भू रचना रत,  
'श्रम विना न किमपि साध्यम' व्रत,  
यन्त्र कला कौशल अभियोन।  
जयति ॥

जन जीवन प्रासाद उठाकर,  
सेतु बाँध भू खण्ड जुड़ाकर,  
अंतरिक्ष में यान उड़ाकर,  
नव युग को देता आह्वान।  
जयति ॥

सर्जन हित जीवन नित अर्पित,  
धरा स्वर्ग शोभा कर निर्मित,  
वैज्ञानिक युग पट में मूर्तित,  
भू पर लाता स्वर्ण विहान।  
जयति ॥

नयी प्रेरणा से दीपित मन,  
नव स्वर्जों से हर्षित लोचन,  
नए सत्य की उर में धड़कन,  
ध्येय राश्ट्र जीवन कल्याण।  
अइह जयति ॥

रचयिता—श्री सुमित्रानन्दन पन्त

## The Institute

## Convener's Address

The Indian Institute of Technology Roorkee, was founded in the year 1847. These 150 glorious years not only indicate the deep rooted history of this institution but is also an indication of the service that it has provided in the process of technical escalation of our country. The institution has an inimitable record of nurturing the enormous talent of this country not only in academics but also in sports. It has always provided the path and has been an idol for the other upcoming institutions and universities to follow. It has set forth the legacy by encouraging its students in sports by giving them the best facilities and latest equipment. These 150 years have been great years of advancement in technology and sports for our country and the institution pledges to provide much more in the upcoming years.

It gives me immense pleasure to introduce you to Sangram'16, on behalf of our prestigious institute. Playing host to a gaming extravaganza, Sangram provides a unique opportunity to people to display their talents and abilities. Sports encompass strength, will, competition and passion and we envision making Sangram'16 a huge success. IITR holds considerable amount of credibility as a host as well as a competitor, owing to its praiseworthy efforts and achievements in the Inter IIT Sports meets. We would love to welcome the guest teams that acknowledge this spirit of healthy competition and sportsmanship endorsed by us. A lift to your skills and your experience on being a part of Sangram'16 comes as a sincere promise from our side.

Tanmay Jain  
Convener, Sangram'16

Sangram boasts of being a one of a kind festival hosted by IIT Roorkee and is a three day sports extravaganza. It brings out the sporting spirit of the brilliant minds of the country and provides an ideal platform for all the sports enthusiasts to compete with each other.

Our IIT Roorkee teams, along with the alumni teams participate in each sport to exhibit their sports skill. Sangram is devoted in creating a customized and unforgettable experience for each and every visitor, simultaneously providing unique opportunities to the youth for showcasing their talents in front of extremely large audiences and top-notch judges with a behemoth footfall of more than 1500 students, comprising several IITs and NITs. An assortment of intriguing events held in venues across our campus, are something to cater to all tastes. Plethora of events are hosted, accompanied by informal events like Sports Quiz, Arm Wrestling and movies becoming the abode of this ambrosial combination.

Sangram'16 promises to be an exhilarating experience from beginning to end.

### List of Events

- Athletics
- Basketball
- Badminton
- Cricket
- Chess
- Football
- Hockey
- Squash
- Table Tennis
- Taekwondo
- Tennis
- Volleyball
- Weightlifting
- Swimming
- Snooker

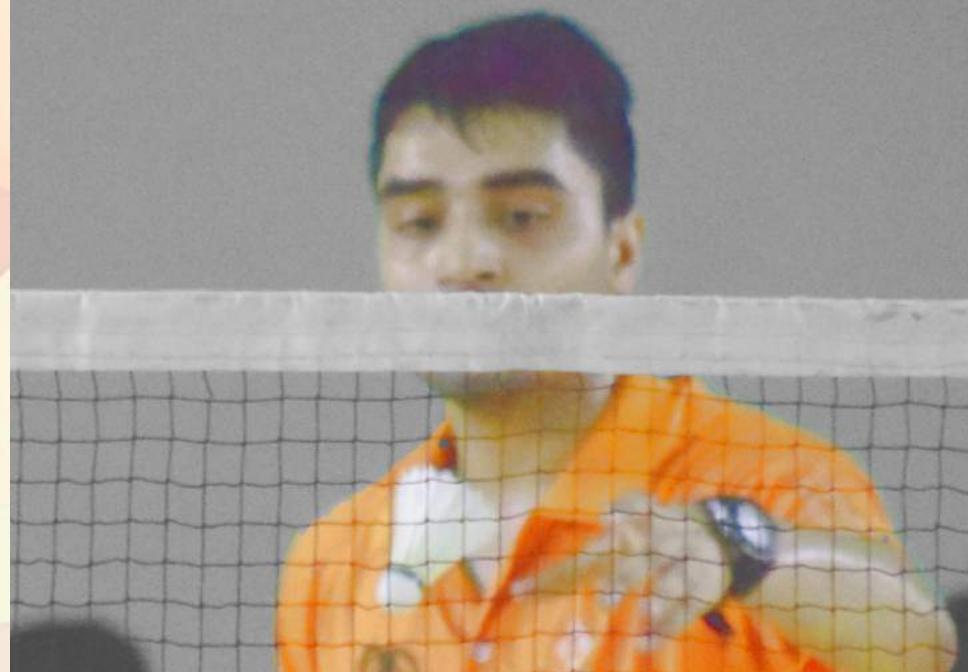

## Athletics

Here at IIT Roorkee the runners run to live and live to run! This was one of the first sports to be started here since its inception. Athletics at IIT Roorkee generates a lot of buzz. We have several professional and well trained athletes in the institute. The professional tracks along with the resources has always been helpful in grooming the talent of our students. In 50th Inter IIT Sports Meet-2014 over 150 Students consisting of both boys and girls participated and brought us honors.

## Badminton

They say, "The war is just a racket". The institute boasts of a well-equipped indoor badminton hall along with the badminton courts in various hostels. The hostel courts are well lit and students utilize them often to play badminton throughout the evenings. The badminton team has been constantly bringing laurels to the institute in the Inter IIT sports meet and is provided with the best resources by the institute.

## Basketball

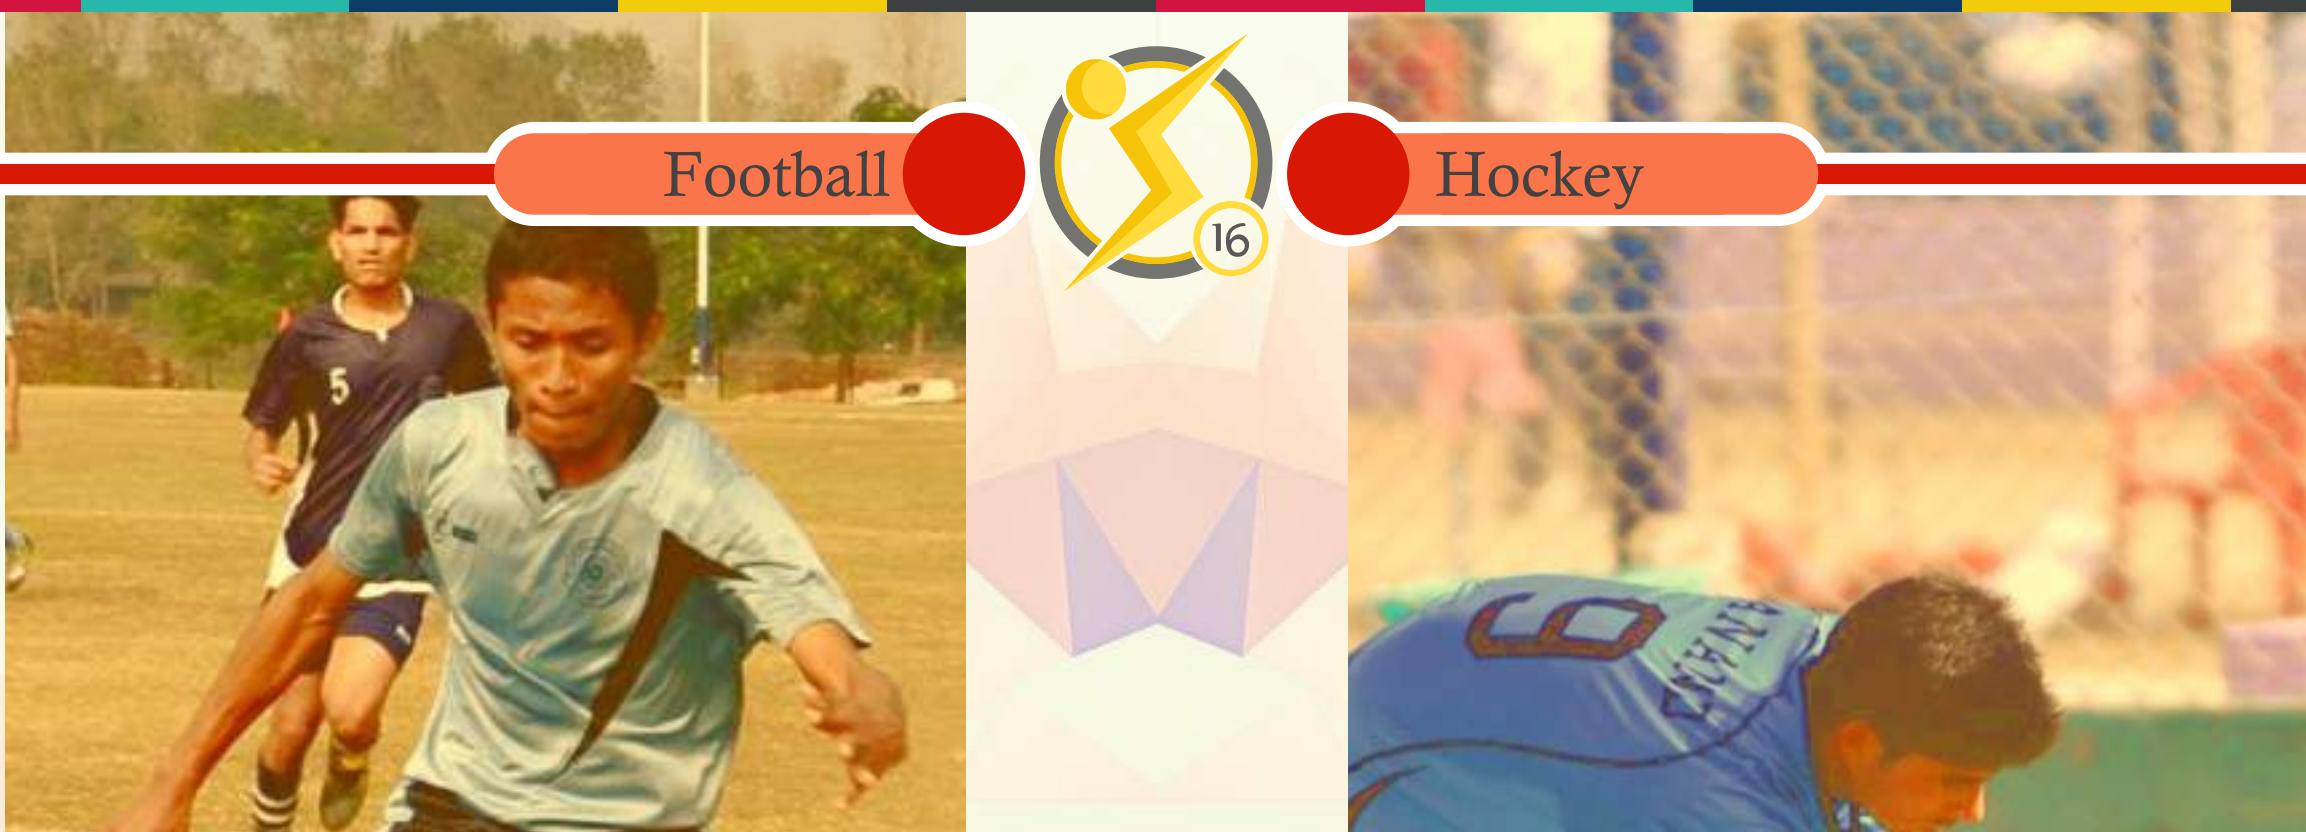

## Chess

Shoot to score! Yes, Basketball-one of the world's most popular and widely viewed sports. IIT Roorkee boasts of being the first IIT to bring the latest facilities for the sport on board. We are the first ones to have a full-fledged floodlit synthetic court with three electronic scoreboards. The amenities are frequently updated to ensure the future of this sport on campus. Our team has always made us proud and will continue to do so in future.

One of the oldest games in human history and ironically the newest to find a home in IITR, chess is the perfect whetstone to sharpen wit and improve imagination. It's the one game where luck isn't involved at all. Chess can't be won or lost on the random roll of a dice, or the whim of the wind, or because your equipment broke, or because the referee missed a foul. It's just one brain versus the other - no outside factors, no excuses. The institute is proud to have included it and provided necessary facilities for this beautiful game. Our players, young and invigorated, are quickly mastering the sport and making a place for themselves in the larger competitive sphere.

The game that unites people-football. Football is one of the most revered games ever and our institute has by no means neglected the fact. Not only do we have well maintained football fields but they are also adorned with flood-light facilities. The students are also provided with all the gear and apparels by the institute and the experienced coaches provide excellent guidance for students to improve their skills.

Hockey- the original extreme sport. Our national sport has always been encouraged and promoted by IITR. We have a separate hockey stadium with professional stands for the spectators. The institute provides the students with all the necessary gear. Inter year and Inter hostel tournaments are routinely organised which always leads to the discovery of new talent for the Inter IIT sports meet. The sport has constantly brought medals for the institute every year and is one of the prominent sports at the campus.

## Cricket

Cricket- the game of life. If there is something that causes a billion Indian hearts to skip a beat, it is cricket. Gold medals in two consecutive years perhaps sum up the amazing facilities and the enthusiasm with which cricket is played in the institute. The institute cricket field boasts of a new turf, sightscreen and an air conditioned pavilion equipped with bowling machines that showcases signature photographs of eminent cricketers including Kapil Dev. The institute team has constantly dominated the Inter IIT sports meet and is a force to reckon with.

## Table Tennis

Where timing is everything, table tennis is a game of agility and precision. The Institute has a wide array of table tennis facilities ranging from the indoor tennis halls to the tables provided at the UG Students club. Apart from this each hostel consists of table tennis with all amenities.

## Taekwondo

They say, the more you sweat in practice the less you bleed in the battlefield. Our young martial trainees here toil in the vigorous training. Clad in white uniforms and tight belts they can be seen landing hammer fists and flying kicks to their opponents during practice. Martial arts certainly provide a great advantage off the playing field as well!

## Tennis

Tennis- the downright smashing game. IIT Roorkee is perhaps the only IIT that boasts of both grass and synthetic courts. We have the best synthetic courts in the country. The courts are floodlit. The institute team has grown leaps and bounds and has bagged many medals at Inter IIT Sports Meet.

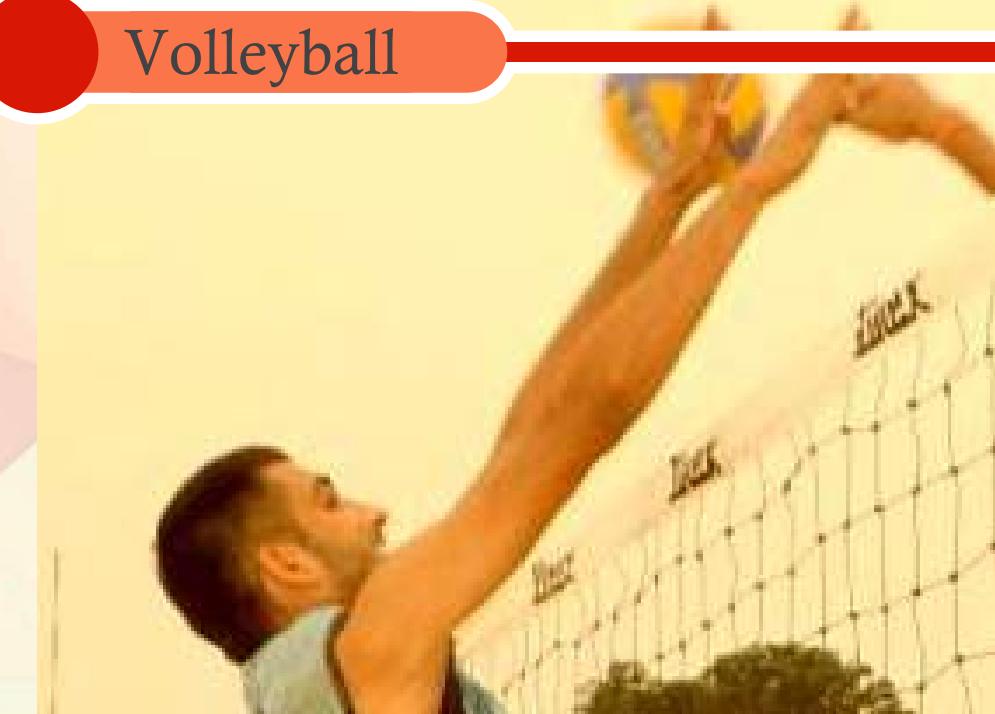

## Squash

## Volleyball

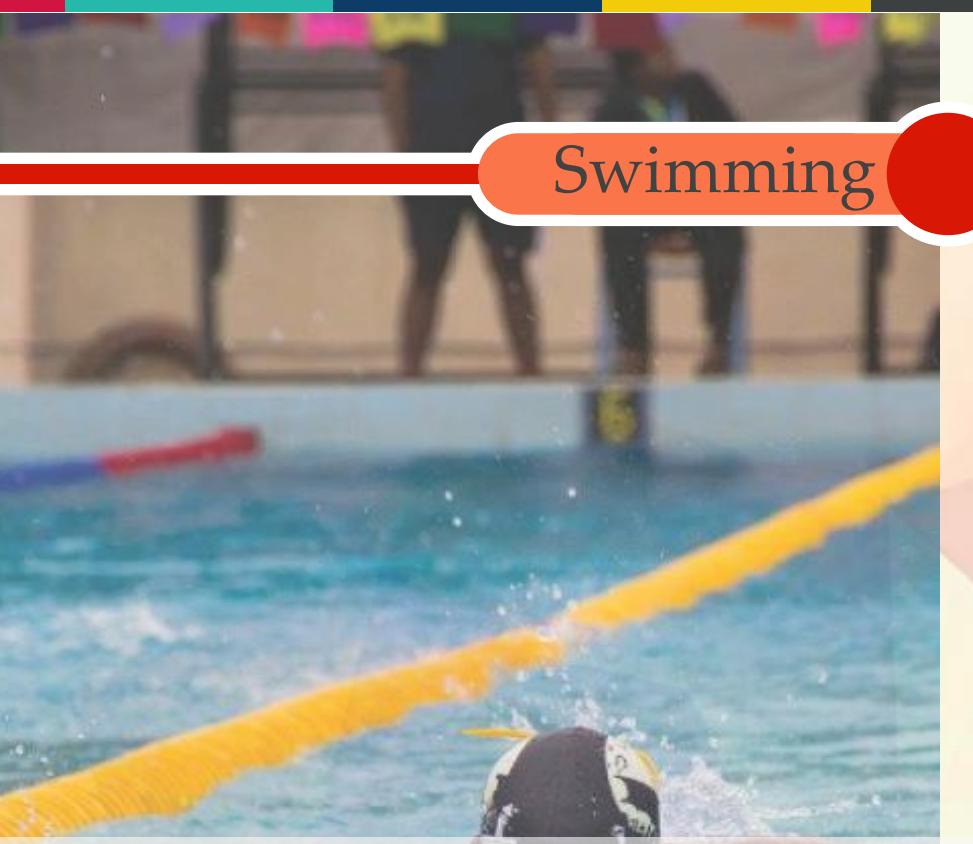

The 'jet propelled chess'-squash. The sports complex holds 4 indoor squash courts. Recently our team won the Uttarakhand Opens. Even in national events they have made us proud and have won laurels. With well experienced and knowledgeable coaches, we provide a great opportunity for the students to learn this unique sport.

A sport that stands for teamwork-volleyball is a real entertainer. As all courts our volleyball courts are well maintained and floodlit. In order to motivate our players, the institute holds the national level Taya Ji Memorial All India Volleyball Tournament every year. The sport of volleyball has thus got a great impetus in the institute as the players get to interact with national team players, helping them to further improve their techniques and skills.

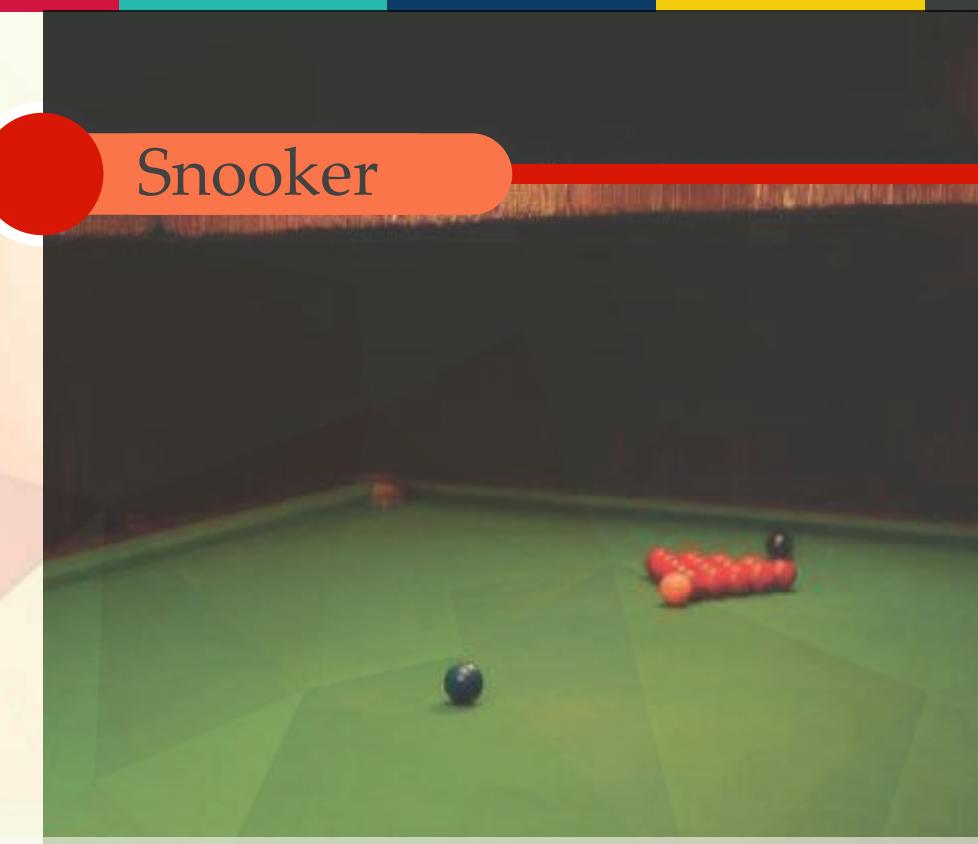

## Swimming

## Snooker

From Michael Phelps to Mark Spitz, this sport has produced champions of steel. Requiring stamina, breath control and skill in executing various strokes, swimming has become an important part of our sports culture. This year Sangram brings you the unique opportunity of performing in this activity.

Snooker, generally regarded as having been invented in India by British Army officers, is popular in many of the English-speaking and Commonwealth countries. Mainly a cue sport, snooker is played on a table covered with a green cloth, with pockets at each of the four corners and in the middle of each of the long side cushions. This year Sangram wishes to bring this amazing game the glory it deserves.

## Weight Lifting

Go heavy or go home. IITR has seen many legendary weight lifters of all time like Kenisevi Meyase, Naveen Sahrawat, Mahendra Mundel and Gagandeep Singh Shergill. Various events are held under different categories by weight and the standard rules are followed. We have all the required facilities, trainers and apparels. Weightlifting is an event that supports no surrogates for grit, determination and power.

## Field Events

### Track & Field Events in Athletics:

#### Men

100m, 200m, 400m, 1500m, 5000m, 110m(H),
